Considerations when choosing a secondary

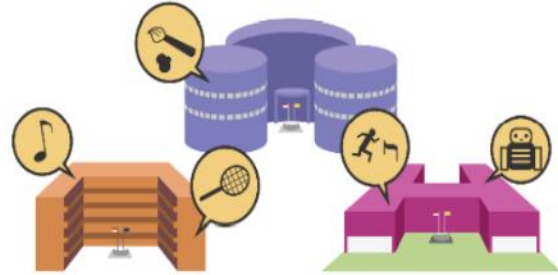

When making school choices in order to find a school that would help me learn and thrive best:

CONSIDER

Your learning needs

AND

What schools can offer

Kuo Chuan Presbyterian Secondary School

Considerations when choosing a secondary

- ▶ **Consider your strengths, interests and abilities**
- ▶ **Discuss your options with your parents, with the following considerations:**
 - ❑ **School culture:** What is the school's culture like?
 - ❑ **Programmes, subjects and CCAs offered:** Can the school support and develop my interests, strengths and abilities?
 - ❑ **Location and transport options:** Is it too far from home? How will I get to school?

Considerations when choosing a secondary

- ❑ **Shortlist schools** that offer programmes that cater to your strengths and interests, and that provide suitable learning environments.
- ❑ Refer to **SchoolFinder** and the **MySkillsFuture Portal** for information on the schools' location, school type, CCAs, programmes and subjects they offer to shortlist schools that meet your learning needs.
- ❑ Refer to the **secondary schools' websites** and visit their **open houses (if any)**.
